

Reach the world with our logistics services

We know every way, everywhere

The company

Lamprecht Transport Ltd. was founded in Basel by Adolf Lamprecht in 1945. International shipping has been the cornerstone of steady, healthy growth for this family business, now managed by the third generation of the founding family.

Today over 300 employees use their knowledge and skill to provide a wide range of transportation and logistics services. Our modern infrastructure guarantees the best available value for our customers in the worldwide trade in goods.

Transportation and logistics services

We ship all kinds of goods anywhere in the world! Lamprecht Transport Ltd. has key strategic market access points around the world, either through subsidiaries or dependable, longstanding partners with intimate knowledge of local conditions. Our modern IT systems are a further guarantee of flawless logistics services.

Quality

Lamprecht has a tradition of quality and reliability based on the expertise of our well-trained, experienced specialists. ISO 9001:2008 certification provides further assurance that your goods are in capable hands.
